KAMAN

C. William Kaman, II - President Kaman Music Corporation with Vice Presidents Mike Sails, John McGraw and Ed Miller

KAMAN VPs

I feel it appropriate to take this opportunity to introduce you to three of Kaman Music Corporation's most important people.

They are Vice President-General managers of the USA distribution locations and are directly responsible for the products you see on the pages of this reference manual. Ed Miller heads up C. Bruno & Son locations in Connecticut and Illinois. Mike Sails oversees C. Bruno & Son branches in Texas and Georgia. And, John McGraw is in charge of the Coast Wholesale operations in Los Angeles and San Francisco.

Kaman's uniqueness lies in the fact that our key people, like Ed, Mike and John, are not distant management. They remain accessible to you, the dealer, at the branch level. In fact, each of them has an average of over 20 years of direct branch involvement. By working their way to the top, they have gained valuable experience in various aspects of the distribution process and have aquired an unequaled understanding of the industy's products.

Besides daily involvement in the operations and with you dealers, they hold national dealer meetings for direct feedback. These meetings help Kaman continue to improve the quality of our service and products.

In the next three editions, this page will feature a message from Ed, Mike and John. I'm sure you will see that our people are Kaman's strongest asset. And, each of them is concerned about and committed to your success.
