Applause quality features:

- **ThruNeck™ Design**–A more playable, stable neck supports the fingerboard into the guitar body.
- **Lyramold Roundback**–The revolutionary acoustic guitar design introduced by Ovation.
- **Dovetail Heel/Neck Joint**–Unique design allows the neck angle to be accurately and permanently set at the factory.
- **Neck**–Solid mahogany design with an adjustable truss rod and a rosewood fingerboard.
- **Rosette/Bridge**–Birch marquetry rosette. Walnut bridge shimmed for easy string-action adjustment.
- **Piezoelectric Pickups**–Mounted directly beneath the saddle for more accurate sound reproduction, with volume and tone controls.

Applause is a **KAMAN** music product.
