The new CC28-HBY is the latest addition to Ovation's value priced CC Series line. With a stunning Honey Burst finish over a Flame Maple top, these Super Shallow body guitars are perfect for gigging musicians looking for great looks and great playability.

The CC28 also features Ovation's own OP-4BT preamp and a Slimline pickup that provides clear amplified tone and plenty of headroom before feedback on the stage.

Like all Ovations, the new CC28 is rugged, super stable, and ready for the road.
