Ovation's 2007-BCS is the latest addition to the popular Collectors' Series instruments. This limited production guitar incorporates several of Ovation's most recent innovations and offers a unique blend of elegant styling and high-end performance. The 2007 soundboard is made from AAA grade Bear Claw Spruce, finished in Vintage natural stain. The top is fitted with scalloped bracing and a single, inlaid Spalted Maple epaulet that punches out tremendous volume. A "GS" Contour bowl helps maximize the acoustic output is ergonomically designed for comfort in any playing position. Powering the electric side is the VIP "Virtual Image Processing" preamp. The VIP replicates the sound of great microphones in a great room and gives players studio-quality performance to take to the stage, or to use in home recording.
