COMPETITION!!
LAY YOUR HANDS ON ME

By Jove! An Ovation Signed by Bon Jovi!

Photography: *Adam Jones*

THIS COMPETITION IS exclusive – and we mean *EXCLUSIVE!* Why? Because not only are we giving away a brand new Ovation Thunderbolt, but to make it that little bit more special the guitar has passed through the hands of two guys from one of the world's top rock bands. "Who's that?" I hear you ask? Bon Jovi of course!

Yep, *Guitarist* went to visit the guys for a beer and a bop when they played the NEC in Birmingham. As they use Ovations on stage, we asked guitarist Richie Sambora and the main man himself, Jon Bon Jovi, to sign the back, making over a grand's worth of guitar even more valuable. Imagine what this beauty will be worth in twenty years' time, and we're offering you the chance of owning it for the price of a stamp!

Okay! Eyes down:

1. Jon Bon Jovi lives in America, what State is he from?

2. In which American State are Ovation guitars made?

3. What is the name of the drummer in Bon Jovi?

4. Fill in the rest of this sentence: "I've seen a million faces and I've ..... them all!"

5. Name the company that distribute Ovation guitars in the UK.

6. What is the name of the material used for the bowl of Ovation guitars?

Now put your answers on a POSTCARD marked OVATION COMPETITION along with your name, address, and telephone number, and send it to ***Guitarist* Publications Ltd, Alexander House, Forehill, Ely, Cambridgeshire CB7 4AF.** Do this before the 31st March 1990 and, who knows, you could find that this Ovation was Born To Be Your Baby! Good Luck.

The small print:

The competition closes on 31st March 1990.

Only one entry per reader will be allowed. (Mass entries will be binned.)

The Editor's decision is final and no correspondence will be entered into.

OVATION BON JOVI COMPETITION

Paul Connop Gets A Result

Having both been well fed and watered, Rose Morris' Clive Sugars (left) hands over the Thunderbolt to eager winner Paul Connop.

IT'S TIME TO KICK yourself if you didn't put pen to postcard to enter this fabulous competition. For those who did – and there were many – hard luck, because most of you got it right! But to put everyone out of their misery, the winner of that superb Ovation Thunderbolt, the one signed by Jon Bon Jovi and *Guitarist* cover artist Richie Sambora, was Paul Connop. Paul, who hails from the West Midlands correctly answered all six questions which were:

1. Jon Bon Jovi lives in America, what State is he from? Answer. **New Jersey**.

2. In which American State are Ovation guitars made? Answer. **Connecticut**.

3. What is the name of the Drummer in Bon Jovi? Answer. **Tico Torres**.

4. Fill in the rest of this sentence: "I've seen a million faces and I've ..... them all!". Answer. **Rocked**.

5. Name the company that distribute Ovation guitars in the UK. Answer. **Rose Morris**.

6. What is the name of the material used for the bowl of Ovation guitars? Answer. **Lyracord**.

Many congratulations to Paul on his win and, again, commiserations to all who didn't. If you still fancy winning a great guitar, then check out the Saxon competition elsewhere in this issue...
